

# This Is Me

## Jonas Brothers & Demi Lovato

I've always been the kinda girl that hid my face  
So afraid to tell the world what I've got to say  
But I have this dream right inside of me  
I'm gonna let it show, it's time to let you know, to let you know This is real, this is me  
I'm exactly where I'm supposed to be now  
Gonna let the light shine on me  
Now I've found who I am, there's no way to hold it in  
No more hidin' who I wanna be, this is me, yeah Do you know what it's like to feel so in the  
dark?  
To dream about a life when you're the shining star  
Even though it seems like it's too far away  
I have to believe in myself, it's the only way  
This is real, this is me  
I'm exactly where I'm supposed to be now  
Gonna let the light shine on me  
Now I've found who I am, there's no way to hold it in  
No more hidin' who I wanna be, this is me You're the voice I hear inside my head, the reason  
that I'm singing  
I need to find you, I gotta find you  
You're the missing piece, I need the song inside of me  
I need to find you, I gotta find you This is real, this is me  
I'm exactly where I'm supposed to be now  
Gonna let the light shine on me  
Now I've found who I am, there's no way to hold it in  
No more hiding who I wanna be  
This is me  
You're the missing piece, I need the song inside of me  
This is me, yeah  
You're the voice I hear inside my head, the reason that I'm singing  
Now I found who I am, there's no way to hold it in  
No more hidin' who I wanna be, this is me
