

# Going Going Gone

Gregg Allman

Going, Going, Gone  
Bob Dylan  
I've just reached a place  
Where the willow don't bend  
There's not much more to be said  
It's the top of the end  
I'm going  
I'm going  
I'm gone  
I'm closin' the book  
On the pages and the text  
And I don't really care  
What happens next  
I'm just going  
I'm going  
I'm gone  
I been hangin' on threads  
I been playin' it straight  
Now, I've just got to cut loose  
Before it gets late  
So I'm going  
I'm going  
I'm gone  
Grandma said, "Boy, go and follow your heart  
And you'll be fine at the end of the line  
All that's gold isn't meant to shine  
Don't you and your one true love ever part"  
I been walkin' the road  
I been livin' on the edge  
Now, I've just got to go  
Before I get to the ledge  
So I'm going  
I'm just going  
I'm gone
