

# Changes

Hugh Laurie

Everyone is facing changes,  
No one knows what's going on,  
And everyone is changing places,  
Still the world keeps moving on. Love must always change to sorrow,  
And everyone must play the game,  
Because it's here today and gone tomorrow,  
Still the world goes on the same. Love must always turn to sorrow,  
And everyone must play the game,  
Because it's here today and gone tomorrow,  
Still, the world goes on the same.  
It's here today and gone tomorrow,  
Still, the world goes on the same.
