

Find You (The Stolen)

Stan Walker

Can't see you in the dark
I'm trying to find your light
I can't move through the dust
Getting lost in the night The storm may come and the rain will fall
Fire and pain go hand in hand — what more
The sun will rise and I may fall
The earth will shake, but I will not be moved Don't you worry, I'm running, I'm searching
I'm trying to find you, to hold you, I need you
Won't give up 'til I can't breathe no longer
I believe and I can't stop, won't stop
'Cause I'm gonna find you
I'll find you
I'm gonna find you
No, I can't give up
'Cause I'm gonna find you I can't feel you anymore
Can't hear through all the noise
I'm waiting for your call
I'm searching for your voice The storm may come and the rain will fall
Fire and pain go hand in hand — what more
The sun will rise and I may fall
The earth will shake, but I will not be moved Don't you worry, I'm running, I'm searching
I'm trying to find you, to hold you, I need you
Won't give up 'til I can't breathe no longer
I believe and I can't stop, won't stop
'Cause I'm gonna find you
I'll find you
I'm gonna find you
No, I can't give up
'Cause I'm gonna find you I'm closer (Come closer)
I'm nearer (You're nearer)
Feels stronger (I'm stronger)
It's better (I'm better)
Not falling (I'm coming)
Just moving (I'm running)
Can breathe now (I'm trying)
I feel now (I'm here now) 'Cause I'm gonna find you
I'll find you
I'm gonna find you
No, I can't give up
'Cause I'm gonna find you 'Cause I'm gonna find you
I'll find you
I'm gonna find you

No, I can't give up
'Cause I'm gonna find you
