

# Rooftop

Zara Larsson

We could be soulmates  
We could be so great  
We could be happy  
One day, someday  
Or in a whole 'nother lifetime Said the first time that we locked eyes, that shit was crazy  
And the second time just blew my mind, shit was crazy  
Lately I don't know what I'm supposed to do 'Cause I got someone, and baby so do you  
It was the 3rd of September  
We were hanging up on the roof  
Was a hot, hot night  
We were having a barbecue  
When I said hi, you said hi  
Baby that's when I knew  
I just, I just ca-can't take my mind off you  
It was a night to remember  
We were hanging up on the roof  
Someone got knocked out  
and it came the boys in blue  
And you said bye, 'n I said bye Some of that made the news  
I just, I just ca-can't take my mind off you One night on the rooftop One night on the rooftop  
rooftop  
One sight at the rooftop, at the rooftop  
rooftop  
Then the rain came something caught flame and it was crazy  
And there were sirens and fire men, thar shit was crazy  
Baby, rushing down the stairs I see you go  
It was the saddest thing that I will ever know It was the 3rd of September  
We were hanging up on the roof  
Was a hot, hot night  
We were having a barbecue  
When I said hi, you said hi  
Baby that's when I knew  
I just, I just ca-can't take my mind off you  
It was a night to remember  
We were hanging up on the roof Someone got knocked out  
and it came the boys in blue  
And you said bye, 'n I said bye  
Some of that made the news  
I just, I just ca-can't take my mind off you One night on the rooftop One night on the rooftop  
rooftop  
One side at the rooftop, at the rooftop  
rooftop

Sparks fly on the rooftop  
Friends fighting on the rooftop rooftop  
Bright lights at the rooftop, at the rooftop rooftop  
We could be soulmates  
We could be so great  
We could be happy One day, someday  
It was the 3rd of September  
We were hanging up on the roof  
Was a hot, hot night  
We were having a barbecue  
And I said hi, you said hi  
Baby that's when I knew  
I just, I just can't take my mind off you  
It was a night to remember  
We were hanging up on the roof  
Someone got knocked out  
and it came the boys in blue  
And you said bye, 'n I said bye  
Some of that made the news  
I just, I just can't take my mind of you  
(can't take my mind) one night on the rooftop  
One night on the rooftop rooftop  
One sight at the rooftop, at the rooftop  
rooftop  
Sparks fly on the rooftop  
Friends fighting on the rooftop, rooftop  
Bright lights at the rooftop at the rooftop, rooftop.
