

The Most Expensive Girl in the World

Lou Bega

Jimmy was a fly guy with a big Mercedes
He thought he could get all type of ladies
He makes a lot of money 'cause he is a money maker
And if he looks for style, he rides jet ski in Jamaica
He met this beautiful girl at a bar
And Jimmy could swear she looked like a star
He got the most expensive girl in the world
The most expensive girl
But Jimmy didn't listen - yes he didn't
His friends warned him - he thought they must be kiddin'
Jimmy felt in love like he never did before
For any kiss he gets she takes him to the store
Every time she buys more than Jimmy can carry
So she employed a butler and his name is: Larry
He got the most expensive girl in the world
The most expensive girl
Jimmy is out of money he spent all on his honey
He is searchin' for a credit but his friends regret it
He is workin' at three jobs but that is not enough
To pay all her needs to pay all her stuff
I saw her later on a luxury ferry
And next to her stood a man named: Larry
You got played, boy!
He got the most expensive girl
in the world
The most expensive girl
