

Let Me Go

HAIM

Get me out
Give me in
I gave you everything I could give
You tried to take
You tried to make it
Take on everything you can't break If you go so easily
Go on, get out when you leave
I will wait I will want
Wait 'till the day you back again
Let me out
Let me in
I've given up
Not given in
'cause together we are not one
We are nothing, holding on and on
Together now, forever then Go ahead don't you let me in
But i will wait
I will want
Wait 'till the day you're back again
Let me go!
You know i'm not one for leaving
Let me go!
You know i'm nothing without you love (no)
I know i'm nothing without your love So let me go! (let me go)
You know i'm not one for leaving
Let me go!
You know i'm nothing whitout your love (no)
I know i'm nothing whitout your love
So please, god, let me go
Let me out
Let me in
I gave you everithing i could give you tried to take, you tried to make
Take all everything you can't make
If you go so easily Go on, get out, when you leave
I will wait
I will want Wait 'till the days you're back
Let it out
Let it in
I'm giving up, not giving in Cause together we are not one
we are nothing, holdin' on and on Together now, forever then
Go ahead, don't you let me in
I will wait

I will want
Wait 'till the day you're back again.
Let me go!
You know i'm not one for leaving Let me go!
You know i'm nothing without your love
You know i'm nothing without your love, no
Cause you know that i'm not one for leaving (not one for leaving) I'm not one for leaving (i'm
not one for leaving)
But I'll go on believing (i'll go on believing)
hey, I'll go on believing (i'll go on believing)
That i'm not one for leaving (i'm not one for leaving),
no, i'm not one for leaving (i'm not one for leaving)
No, i'm not one for leaving,
(i'm not one for leaving)
no, i'm not one for leaving
(i'm not one for leaving)
So let me go! (let me go)
You know i'm not one for leaving
Let me go (let me go)
You know i'm not one for leaving
Let me go (let me go)
You know i'm not one for leaving
Let me go (let me go)
Let me go (let me go)
Let me go
...
You know i'm not one for leaving
Let me go (let me go)
You know i'm not one for leaving
Let me go (let me go)
You know i'm not one for leaving
Let me go (let me go)
You know i'm not one for leaving
Let me go (Let me go)
