

You Carried Me

Building 429

I've been so busy, I missed the reasons
I missed Your love, and I nearly missed it all
Still You've loved me, and You've healed me
You've given all and it brought me to Your cross
And I stand only because You've given me grace to walk
Only because You carried me
You carried me
You carried me through it all
And I believe
Yes I believe
You'll carry me all the way home
Cause mercy covers all
I know the scripture, I've known the songs
I sang the words from my hollowed heart
But You've spoken softly through the storm
I've heard Your voice and I've felt the calm
I stand only because You've given me faith to walk
Only because You carried me
You carried me
You carried me through it all
And I believe
Yes I believe
You'll carry me all the way home I know that you love me
I'll never doubt it, I can't live without it
Your mercy has found me
I am astounded, I can't live without it ooh
You carried me, You carried me
Through it all... You carried me
You carried me
And I believe
Yeah I believe
You'll carry me all the way home
Cause mercy covers all
Mercy covers all
Yeah, yeah And I believe
And I believe
I believe
