

# Play the Game

## Beach House

Open up your mind and let me step inside.  
Rest your weary head and let your heart decide.  
It's so easy, when you know the rules.  
It's so easy, all you have to do is fall in love. Play the game, ev'rybody play, play the game of  
love. When you're feelin' down and your resistance is low,  
light another cigarette and let yourself go.  
This is your life, don't play hard to get.  
It's a free world, all you have to do is fall in love. Play the game, ev'rybody play, play the  
game. Love runs from my head down to my toes.  
My love is pumping through my veins.  
Driving me insane. Play the game, ev'rybody play, play the game of love. This is your life, don't  
play hard to get.  
It's a free, free world, all you have to do is fall in love.  
Play the game, ev'rybody play, play the game of love.
