

Insomnia 2.0

Faithless

I only smoke ... when I need to
And I need to get some rest
Yo where's my ...
I confess, I burnt a hole in your mattress
Yes, yes, it was me, I plead guilty
And at the count of three I pull back my duvet
And make my way to the refrigerator
One dry potato inside, no lie
Not even bread, jam
When the light above my head went bam!
...
I can't get no sleep
...
I can't sleep, something's all over me
Greasy, insomnia please release me
And let me dream about making mad love on the heath
Tearing off tights with my teeth
But there's no relief
I'm wide awake in my kitchen
It's black and I'm lonely Oh, if I could only get some sleep
Creeky noises make my skin creep
I need to get some sleep
I can't get no sleep
...
No sleep
...
I can't get no sleep
...
No sleep
...
I can't get no sleep
