

# This Is My Now

Jordin Sparks

This is my wish  
My wish for the world  
That peace would find his way  
To every boy and girl  
There was a time, when i was so afraid  
I thought I'd reached the end, baby that was then  
I am made of more then my yesterdays  
This is my now  
And I am breathing in the moment  
As I look around  
I can't believe the love I see  
My fears behind me  
Gone are the shadows and doubt  
That was then  
This is my now  
I had to decide, was I gonna play it safe  
Well but somewhere deep inside, I tried to turn the tide  
And find the strength to take that step of faith  
This is my now  
And I am breathing in the moment  
As I look around  
I can't believe the love I see  
My fears behind me  
Gone are the shadows and doubt  
That was then  
This is my now  
And I have a courage, like never before  
I settled for less, but I'm ready for more  
Ready for more  
This is my now  
And I am breathing in the moment  
As I look around  
I can't believe the love I see  
My fears behind me  
Gone are the shadows and doubt  
That was then  
This is my now  
And I am breathing in the moment  
As I look around  
I can't believe the love I see  
My fears behind me  
Gone are the shadows and doubt  
That was then  
This is my now  
This is my now
