

# Cameo Lover

## Kimbra

This is nonstop baby  
You've got me going crazy  
You're heavier than i knew  
But i don't want no other  
You're my cameo lover  
Only here for a moment or two  
You stay inside that bubble  
With all of your trouble  
In your black hole  
You turn from the skies  
You dance with your demise  
I'll be here when you come home  
We've all gotta break down  
Let me come and break down with you  
Cause everyday's like talking in your sleep!  
Love is like a silhouette in dreams!  
Open up your heart! Open up your heart  
Open up your heart and let me pull you out  
Everyday's like talking in your sleep!  
Love is like a silhouette in dreams!  
Open up your heart! open up your heart  
Open up your heart and let me pull you out of here! I've got high hopes baby  
But all you do is take me down to depths that i never knew  
You've got two arms baby  
They're all tangled in ladies of the black skies posing blue  
Let go of your mother  
And turn to your brother!  
Not a long gone lover's noose  
Sometimes baby the hardest part of breaking is leaving pieces behind you  
Oh we've all gotta get by  
Let me come and hold you high, with you  
Everyday's like talking in your sleep!  
Love is like a silhouette in dreams!  
Open up your heart! Open up your heart  
Open up your heart and let me pull you out  
Everyday's like talking in your sleep!  
Love is like a silhouette in dreams!  
Open up your heart! Open up your heart  
Open up your heart and let me pull you out of here  
Open up your heart to me!  
The sun won't shine if you're not looking  
Baby love is all that you need  
When everyday's like talking in your sleep!  
Love is like a silhouette in dreams!  
Open up your heart! Open, open, open  
Everyday's like talking in your sleep!

Love is like a silhouette in dreams!  
Open up your heart! Open up your heart  
Open up your heart and let me pull you out  
Open up your heart! Open up your heart  
Open up your heart! Open up your heart  
Open up your heart! Open up your heart
