

# You Know My Name

Chris Cornell

If you take a life, do you know what you'll give?  
Odds are, you won't like what it is  
When the storm arrives, would you be seen with me,  
By the merciless eyes I've deceived? I've seen angels fall from blinding heights  
But you yourself are nothing so divine  
Just next in line Arm yourself, because no-one else here will save you  
The odds will betray you  
And I will replace you  
You can't deny the prize, it may never fulfill you  
It longs to kill you  
Are you willing to die? The coldest blood runs through my veins  
You know my name  
If you come inside, things will not be the same  
When you return to the night  
If you think you've won, you never saw me change  
The game that we have been playing I've seen diamonds cut through harder men  
Than you yourself  
But if you must pretend  
You may meet your end Arm yourself, because no-one else here will save you  
The odds will betray you  
And I will replace you  
You can't deny the prize, it may never fulfill you  
It longs to kill you  
Are you willing to die? The coldest blood runs through my veins Try to hide your hand  
Forget how to feel (Forget how to feel)  
Life is gone with just a spin of the wheel (Spin of the wheel)  
Arm yourself, because no-one else here will save you  
The odds will betray you  
And I will replace you  
You can't deny the prize, it may never fulfill you  
It longs to kill you  
Are you willing to die?  
The coldest blood runs through my veins  
You know my name  
You know my name  
You know my name  
You know my name  
You know my name  
You know my name  
You know my name!
