

Rule the World

Take That

You light the skies, up above me
A star, so bright, you blind me,
Don't close your eyes,
Don't fade away don't fade away,
Ohhhhhhhhh! Yeah you and me we can ride on a star
If you stay with me girl
We can rule the world-
Yeah you and me we can light up the sky
If you stay by my side
We can rule the world-If walls break down, I will comfort you
If angels cry, oh I'll be there for you
You've saved my soul
Don't leave me now, don't leave me now
Oh Yeah you and me we can ride on a star
If you stay with me girl
We can rule the world
Yeah you and me, we can light up the sky
If you stay by my side
We can rule the world-Ooooooooooh All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you
All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you-Ooooooooooh
Yeah you and me we can ride on a star
If you stay with me girl
We can rule the world
Yeah you and me, we can light up the sky
If you stay by my side
We can rule the world All the stars are coming out tonight (oooooooooh)
They're lighting up the sky tonight
For you, for you-
All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you-All the stars, are coming out tonight
They're lighting up the sky tonight
For you, for you-
All the stars, are coming out tonight
They're lighting up the sky tonight
For you, for you-
