

Good 'Ol Boys

Jake Worthington

Just the good old boys
Never meaning no harm
Beats all you've never saw, been in trouble with the law
Since the day they was born Straightening the curve
Flatening the hills
Someday the mountain might get 'em
But the law never will Making their way
The only way they know how
That's just a little bit more
Than the law will allow
Just the good old boys
Wouldn't change if they could
Fighting the system like a
Two modern day Robin Hood Making their way
The only way they know how
That's just a little bit more
Than the law will allow I'm a good ol' boy
You know my mama loved me
But she don't understand they keep a showing my hands
And not my face on TV Making their way
The only way they know how
That's just a little bit more
Than the law will allow
Making their way
The only way they know how
That's just a little bit more
Than the law will allow
That's just a little bit more
Than the law will allow
That's just a little bit more
Than the law will allow
