

The Beat (feat. Peter Frampton)

The Bloody Beetroots

Feat. Peter Frampton
Everybody, let's say good morning to the world
Time over time
Everybody, let's say good morning to the world
Time over time
I could not tell you, no I just might
I just might tell you
Everyone, let's just take control, and we're gone
Right on the time
(The Beat)
(The Beat)
(The Beat)
(The Beat)
(The Beat)
