

Ventura Highway

America

Chewing on a piece of grass
Walking down the road
Tell me, how long you gonna stay here Joe?
Some people say this town don't look good in snow
You don't care, I know Ventura Highway, in the sunshine
Where the days are longer
The nights are stronger
Than moonshine
You're gonna go, I know
'Cause the free wind is blowin' through your hair
And the days surround your daylight there
Seasons crying no despair
Alligator lizards in the air Wishin' on a falling star
Waitin' for the early train
Sorry boy, but I've been hit by a purple rain
Aw, come on Joe, you can always change your name
Thanks a lot son, just the same Ventura Highway in the sunshine
Where the days are longer
The nights are stronger
Than moonshine
You're gonna go, I know
'Cause the free wind is blowin' through your hair
And the days surround you daylight there
Seasons crying no despair
Alligator lizards in the air
In the air
