

Tyranny of Souls

Bruce Dickinson

When Shall We Three Meet Again?
And Thunder Lighting All In Rain
When The Hurly-Burley's done
When The Battle's Lost Not One
A Tyranny of Souls. That Love Has Lost
A Tyranny of Souls appear to coast
Speaking Times of fire
Enflaming the desires
Watching as we die ...Who rips The Child out From the Womb?
Raised the Dead Who Plays the Chum
And The Crack of Doom on Judgment Day
No Ocean Could Wash My Sins Away
A Tyranny of Souls. That Love Has Lost
A Tyranny of Souls appear to coast
Speaking Times of fire
Enflaming the desires
Watching as we die on our own Cross
A Tyranny of Souls...We Are the Black Space, We Are the Black Light
We Shine When the Earle's dare
Killing My Head with the Neon
Stabbing My Fate with A reason
Nobody's Around a Stranger to My Life
Tears of the Faithful, sins of bet radial
Having A needle
to my hand
Anger is foolering My Land
I am the Killer of Witness in My Head
We are the Black Light, We Are the Black Space
A Tyranny of Souls. That Love Has Lost
A Tyranny of Souls appear to coast
Speaking Times of fire
Enflaming the desires
Watching as we die on our own Cross...A Tyranny of Souls. That Love Has Lost
A Tyranny of Souls appear to coast
Speaking Times of fire
Enflaming the desires
Watching as we die...
