I aint tripping about the lime light

cuz when im with my shawty

She keep my mind right

When we up in the mall

She feel up shopping bag

She love to popp them tags

She love to drive the jag

Whenever we alone

She throw away my phone

Cuz she dont want no interruptions while we going strong

My baby, my baby

Dont be on that bull sh*

My baby, my baby

Know i keep a full clip

Thats why i

Met her outside at 745

Thats why i

Take pride when i slide up in them thighs

My baby boo she true

U know she hold me down

So when i get some time

I spend it with her now

Im waiting, anticipating for you baby

(cuz i gotta be next to you)

And im wanting

You cuz u got me

Boy you got me

(cuz i gotta be next to you)Baby you on my mind

As long as we spending time girl

(cuz i gotta be next to you) (x2)-mike jones

My lil mama she know how the game go

She know if is bout the money

She know daddy gotta go

She know if is bout the paper
Them paper im gon' get
bring it back to the crib
Them paper we gon' split
She understand what i do
She trust me and keep it true
Even tho i leave her lonely
She knows that i love her too
While im hot i gotta get it
Gotta stay on the grind
And she already know when im home
She take all my time, i
Love to cuddle her
Love to make her blush
Girl i cant get enuff
Cuz i gotta be next to you
Love to cuddle her
Love to make her blush
Girl i cant get enuff
Cuz i gotta be next to youIm waiting, anticipating for you baby
(cuz i gotta be next to you)
And im wanting
You cuz u got me
Boy you got me
(cuz i gotta be next to you)Baby you on my mind
As long as we spending time girl
(cuz i gotta be next to you) (x2)-girl
Now i know
That daddy gotta go out there and get it
I know
That when he get some time
He spend it with me
I know
That he gon' knows and be around so i'll let him hit his ex outta town-mike jones
And i know
That lil mama gon' hope daddy down
And i know
That she gon' make me smile when i frown
And i know
That shawty's more than a friend
Thats why i ride wit her til the endIm waiting, anticipating for you baby
(cuz i gotta be next to you)
And im wanting
You cuz u got me
Boy you got me
(cuz i gotta be next to you)Baby you on my mind
As long as we spending time girl
(cuz i gotta be next to you)
