

# Miss Me

Andy Grammer

I wake up and I'm sober  
Don't even know you anymore  
Punch drunk on a feeling  
Lost in believing I was sure I don't care what you have to say  
Damn words get in the way, I don't wanna know  
I know there'll come a time  
When I look you in the eyes and say, "I told you so" And I promise you this  
You're gonna miss me, miss me  
As long as you live  
You're gonna miss me, miss me  
Oh  
Set me up for the falling  
Gave me no warning, you were gone  
Let me down, I was reading  
I can't believe what you have done Go do what you've gotta do  
Damn words will follow you everywhere you go  
And I know there'll come a time  
When I look you in the eyes and say, "I told you so" And I promise you this  
You're gonna miss me, miss me  
As long as you live  
You're gonna miss me, miss me  
Oh I believe in my heart  
When something's wrong, say it's wrong  
I can deal with the part  
When something's wrong if we both stay strong  
I know there will come a time  
When I look you in the eyes and say, "I told you so"  
And I promise you this  
You're gonna miss me, miss me  
As long as you live  
You're gonna miss me, miss me  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh I wake up and I'm sober
