

# Hunter

Pharrell Williams

Just because it's the middle of night  
That don't mean I won't hunt you down  
Cause up, in, deep inside  
It's pullin' me and I want your love  
You and I should be gettin' it right  
Ain't no sense in you holdin' on down  
If I can't have you, nobody can  
This an animal singin' that'll hunt you down So baby, ooh-oo  
My love is kung fu-uuh  
And baby, ooh-oo  
My love is kung fu-uuh  
Hey baby, ooh-oo  
Sex is kung fu-uuh  
Hey baby, ooh-oo  
My love is kung fu-uuh  
I show my teeth  
And I hope you know that look in my eyes  
I got lightnin' speed I won't hesitate to rescue what is mine Well, hold up baby, what's goin' on?  
Tell the truth, I wanna know  
What you're doin' when you're gone  
Somethin' say you ain't alone  
You say, "Baby keep holdin' on"  
What you mean? I've been holdin' on I ain't ever smelled this before  
Somethin' say it's time to go  
Just because it's the middle of night  
That don't mean I won't hunt you down  
Cause up, in, deep inside  
It's pullin' me and I want your love  
You and I should be gettin' it right  
Ain't no sense in you holdin' on down  
If I can't have you, nobody can  
This an animal singin' that'll hunt you down  
So baby, ooh-oo  
My love is kung fu-uuh  
And baby, ooh-oo  
My love is kung fu-uuh  
Hey baby, ooh-oo  
Sex is kung fu-uuh Hey baby, ooh-oo  
My love is kung fu-uuh  
Taxidermy is on my walls  
With the full description of the killin' calls  
I'm a hunter

Cupid, thank you for what you did  
 But you can't aim and get what I get  
 I'm a hunter  
 Well, hold up baby, what's goin' on?  
 Tell the truth, I wanna know  
 What you're doin' when you're gone  
 Somethin' say you ain't alone  
 You say, "Baby keep holdin' on"  
 What you mean? I've been holdin' on  
 I ain't ever smelled this before  
 Somethin' say it's time to go  
 Just because it's the middle of night  
 That don't mean I won't hunt you down  
 Cause up, in, deep inside  
 It's pullin' me and I want your love  
 You and I should be gettin' it right  
 Ain't no sense in you holdin' on down  
 If I can't have you, nobody can  
 This an animal singin' that'll hunt you down  
 So baby, ooh-oo  
 My love is kung fu-uuh  
 And baby, ooh-oo  
 My love is kung fu-uuh  
 Hey baby, ooh-oo  
 Sex is kung fu-uuh  
 Hey baby, ooh-oo  
 My love is kung fu-uuh  
 Duck Dynasty's cool and all  
 But they got nothin' on a female star  
 I'm a hunter  
 Is that a tree or is that camouflage?  
 Come get eaten by the dam mirage  
 I'm a hunter  
 Well, hold up baby, what's goin' on?  
 Tell the truth, I wanna know  
 What you're doin' when you're gone  
 Somethin' say you ain't alone  
 You say, "Baby keep holdin' on"  
 What you mean? I've been holdin' on  
 I ain't ever smelled this before  
 Somethin' say it's time to go  
 You're leaving me?  
 What? I'm supposed to let it go?  
 You can't be serious!?  
 You know what's in my blood!  
 So baby, ooh-oo  
 My love is kung fu-uuh  
 And baby, ooh-oo  
 My love is kung fu-uuh  
 Hey baby, ooh-oo  
 Sex is kung fu-uuh  
 Hey baby, ooh-oo  
 My love is kung fu-uuh
