

# Crooked Love

EMM

You were just a predator babe  
And I was your prey  
I was just the mess that you made  
The problem that you crave  
And I don't know how you got so f-cked in the head  
I wanna save you but the beast would be fed  
And I will never spend another night lost in your bed just  
Carrying the baggage,  
Carrying the burden Oh babe you broke me  
Oh babe you broke me  
Oh babe you broke me  
With your crooked love  
Oh babe you broke me  
Oh babe you broke me  
Oh babe you broke me  
With your crooked love And I shoulda run from the first kiss  
Cause I've never been torn like this Oh babe you broke me  
Oh babe you broke me  
Oh babe you broke me  
With your crooked love He never got to meet my heart  
In it's innocence  
Cause now I'm always on my guard  
Always on defense  
And I don't know how to trust cause of all that you did  
You'll never know how deep the scar really is  
I keep telling myself it's safe to be his, but I'm  
Carrying the baggage,  
Carrying the burden...  
Don't you call me babe  
Don't you, Don't you call me baby  
I am not your girl  
I know what your doing lately  
They told me her name  
She's from Georgia and I wonder  
Did you think of me  
When you finally got to f\_ck her?  
I know what you said  
At the party with your cigarette  
Lauren told me that  
You felt "on top of the world" you said  
All while I was dead  
You killed me with your sex and alcohol

Don't look at me sad  
I know what you did you  
Killed me I was dead  
I was dead...
