

Shining Light

Ash

Roman candles that burn in the night
Yeah, you are a shining light
You lit a torch in the infinite
Yeah, you are a shining light
Yeah, you light up my life You have always been a thorn in their side
But to me you're a shining light
You arrive and the night is alive
Yeah, you are a shining light
Yeah, you light up my life We made a connection
A full on chemical reaction
Brought by dark divine intervention
Yeah, you are a shining light
A constellation once seen
Over royal Davids city
An epiphany you burn so pretty
Yeah, you are a shining light You are a force, you are a constant source
Yeah, you are a shining light
Incandescent in the darkest night
Yeah, you are a shining light
Yeah, you light up my life We made a connection
A full on chemical reaction
Brought by dark divine intervention
Yeah, you are a shining light A constellation once seen
Over royal Davids city
An epiphany you burn so pretty
Yeah, you are a shining light
These are the days you often say
There's nothing that we cannot do
Beneath a canopy of stars
I'd shed blood for you (Solo) We made a connection
A full on chemical reaction
Brought by dark divine intervention
Yeah, you are a shining light A constellation once seen
Over royal Davids city
An epiphany you burn so pretty
Yeah, you are a shining light
Yeah, you light up my life Yeah, you are a shining light
Yeah, you light up my life
