

Over You

Miranda Lambert

Weather man said it's gonna snow
By now I should be used to the cold
Mid-February shouldn't be so scary
It was only December
I still remember the presents, the tree, you and me
But you went away
How dare you?
I miss you
They say I'll be OK
But I'm not going to ever get over you
Living alone here in this place
I think of you, and I'm not afraid
Your favorite records make me feel better
Cause you sing along
With every song
I know you didn't mean to give them to me
But you went away
How dare you?
I miss you
They say I'll be OK
But I'm not going to ever get over you
It really sinks in, you know, when I see it in stone
Cause you went away
How dare you?
I miss you
They say I'll be OK
But I'm not going to ever get over you
