

Star-Spangled Man

Luna

High speed train
French cocaine
Comfort station
Show and tell
Tell me something good Dirty windshield
Denim suit
Broken glass
Snakeskin boot
Tell me something nice
You're the star-spangled man
You're the star-spangled man Steven sprouse
Chairman mouse
Chow yun fat
Geronimo pratt
Tell me something good Unknown treasures
Unknown tricks
Unknown pleasures
I feel six
Tell me something nice
You're the star-spangled man
You're the star-spangled man
You're the star-spangled man
In a star-spangled land
