

# Misunderstood

Krizz Kaliko

Ya left me  
I'm like I don't know why  
Ya came back  
And gave it another try  
But I'm caught up  
And I will add it's a lie  
So we stop  
And now we're sayin bye byelf ya want me to kill  
I would  
If ya want me to steal  
I would  
If ya want me to love ya  
I could  
But we're so misunderstood  
Me and you together ain't really good anyway  
We could break up or just break out in a heated argument on any given day  
I'm impossible  
Bein' with me is an obstacle  
Women of the world  
I got lots to pull  
But we closer than most  
Especially with our clothes of the floors  
I'm only givin' dough's to those hoes  
And without you is the one thing I hate  
Together's our fate  
But if ya ask baby I would jump in a lake  
And I cheated  
You stayed faithful  
And I'm ungrateful  
And I act so damn hateful  
And over and o'er and o'er the sofa, finito  
Cause I ain't seen when they get control of my libido  
Forget about it  
Cause I mean the world loves you  
I was just playin' with them girls baby I love you  
I know I messed up with ya baby I owe you  
If we break up I'm a die o'er you  
If ya ask me to kill  
I would  
If ya ask me to steal  
I would  
If ya want me to love ya

I could  
But were so misunderstoodBaby this is too hard  
The fightin' and the fussin' and the cussin' and ya bustin' me in my mouth  
Girl I just want ya heart  
I'm tusslin' with the fact that ya want me to get out  
But I ain't leavinYou will listen to me now  
If I gotta hold ya down (down, down)  
We're soo misunderstood  
Ya finally wonderin' why ya still keepin' me aroundBut if ya ask me to kill  
I would  
If ya ask me to steal  
I would  
If ya want me to love ya  
I could  
But were so misunderstood  
(Pray for me ya'll)And we're so misunderstood
