

# Hole In the Sky

## Pantera

I'm looking through a hole in the sky  
I'm seeing nowhere through the eyes of a lie  
I'm getting closer to the end of the line  
I'm living easy where the sun doesn't shine  
I'm living in a room without any view  
I'm living free because the rent's never due  
The synonym of all the things that I've said  
Are just the riddles that are built in my head  
Hole in the sky

Take me to heaven

Window in time

Through it I fly

I've seen the stars that disappear in the sun  
But shooting's easy if you've got the right gun  
And even though I'm sitting waiting for Mars  
I don't believe there's any future in cards.  
Hole in the sky

Take me to heaven

Window in time

Through it I fly yeah

I've watched the dogs of war enjoying their feast

I've seen the western world go down in the east

The food of love became the greed of our time

But now we're living on the profits of crime
