I Don't Know

Paul McCartney

I got crows out my window, dogs at my door
I don't think I can take anymore
What am I doing wrong? I don't knowMy brother told me
Life's not a pain
That was right when it started to rain
Where am I going wrong?
I don't knowBut it's alright, sleep tight
I will take the strain
You'll find, love of mine
You will feel no painWell, I see trouble at every turn
I've got so many lessons to learn
What am I doing wrong?
I don't know
Now what's the matter with me?
Am I right?
Am I wrong?Now I started to see
I must try to be strong
I try to love you best as I can
But you know that I won't be your manWhere am I going wrong?
I don't knowOoh, yeah
Oh, woah, woah, woah, mhmm
But it's alright, sleep tight
I will take the strain
You'll find
Little love of mine
You will feel no pain
I got crows at my window
And dogs at my door
But I don't think I can take anymore
What am I doin' wrong? I don't know
Now what's the matter with me?
I don't know, I don't know
What's the matter with me?
I don't know, I don't know
What's the matter with me?
I don't know, I don't know
