

Feelings

Lauv

Is my love too much?
Is it just enough for you, for you?
'Cause it's getting late, would you like to stay, ah 'Cause I'm bad at reading signs But I, I wanna
do whatever you wanna do
If you wanted to, girl, we could cross that line
Know we've been friends
And love only knows broken ends, yeah
That's what you said, but, girl, let me change your mind Mmm, mmm
Mmm, mmm, mmm
Mmm, mmm
'Cause feelings are hard to find
Mmm, mmm
Mmm, mmm, mmm
Mmm, mmm
'Cause feelings are hard
But I feel 'em in my chest
A tiny war within
But when I pull you closer
Girl, I can't explain But I, I wanna do whatever you wanna do
If you wanted to, girl, we could cross that line
Know we've been friends
And love only knows broken ends, yeah
That's what you said, but, girl, let me change your mind Mmm, mmm
Mmm, mmm, mmm
Mmm, mmm
'Cause feelings are hard to find
Mmm, mmm
Mmm, mmm, mmm
Mmm, mmm
Feelings are hard, yeah
And I know, and I know that it hurts sometimes
That it hurts sometimes when I'm with you
And I know, and I know that it hurts sometimes
That it hurts sometimes when I miss you
And I know, and I know that it's on your mind
That it's on your mind when I kiss you
But I wanna do whatever you wanna do I wanna do whatever you wanna do
If you wanted to, girl, we could cross that line
Know we've been friends
And love only knows broken ends, yeah
That's what you said, but, girl, let me change your mind Mmm, mmm
Mmm, mmm, mmm

Mmm, mmm
'Cause feelings are hard to find
Mmm, mmm
Mmm, mmm, mmm
Mmm, mmm
Feelings are hard to find, yeah
