

Bobby Brown

The Soft Pack

When you see a friend act a fool
Send your friend right back to school
If you wish he'd rise above
In the ways of love Yes my friend, I'd agree
I'd say we all have needs If it's time you're looking for oh oh
I've got that time and so much more
If it's time you're looking for oh oh
I've got that time and so much more
When you see a friend run the muck
Just stand back and wish him luck
When you see a friend held down
Don't just leave him lying round Yes my friend, I'd agree
I'd say we all have needs If it's time you're looking for oh oh
I've got that time and so much more
If it's time you're looking for oh oh
I've got that time and so much more
If it's time you're looking for oh oh
I've got that time and so much more
If it's time you're looking for oh oh
I've got that time and so much more And so much more.
