Ain't Gonna Stop

James Otto

I got a blonde bombshell in my black Corvette Burnin? down the rubber like a hot cigarette Ain? t found nothin? that will hold me yet Feels a little better when I? m out on the edge Like a Tarantino movie runnin? through my head

Ain? t gonna sleep again until I? m dead? causeI? m gonna fly just as high as I want to I? m gonna roll like a river anywhere that I choose

Ain? t nothin? gonna slow me down
And I ain? t gonna stop till I drop
Push it to the limit take it to overload
Keep the party pumpin? everywhere that I go
Everybody? s rockin? when they come to the Otto show
I don? t need anybody tellin? me what to do
I? ve come a long, long way with this bad attitude

Wore a hole through the sole of my alligator bootsI? m gonna fly just as high as I want to I? m gonna roll like a river anywhere that I choose

Ain? t nothin? gonna slow me down

And I ain? t gonna stop till I dropThere? s a mountain in my mind That I know someday I? m gonna climb

So don? t tell me, don? t tell me not to try? causeI? m gonna fly just as high as I want to I? m gonna roll like a river anywhere that I choose

Ain? t nothin? gonna slow me down And I ain? t gonna stop till I drop Ain? t nothin? gonna slow me down And I ain? t gonna stop till I drop Ain? t nothin? gonna slow me down And I ain? t gonna stop till I drop
