

Ya Man Ain't Me

Chris Brown

Hey girl, whats up?
You've been going through it, huh?
Yeah, I know
And I know your man ain't been treating you right
but... your man ain't me

Like he deserve you, and you so lucky to be with him
Bet he be treatin' you rude always got an attitude
Like he's the only dude made for you, woah But I bet he didn't count on, no nigga like me
comin' round
(Giving you things to think about cause I know whats up)
Since he ain't tryna step it up, don't you think you should give him up?
(Cause he ain't worth your love)
Stop trippin,
I know you got a man but girl he's slippin
I can see myself gettin' in where I fit in
I want you to see, just how much your man ain't me cause
He ain't fly, He don't even drive
Cause when you wanna sneak out in the middle of the night baby Im your guy
Imma be since he ain't being all that he can be
Baby please your man, your man ain't me Girl, I know that you be wishin' he was nothin' like
