

# Somewhere Only We Know

Lily Allen

I walked across an empty land  
I knew the pathway like the back of my hand  
I felt the earth beneath my feet  
Sat by the river and it made me complete  
Oh, simple thing, where have you gone?  
I'm getting tired and I need someone to rely on  
I came across a fallen tree  
I felt the branches of it looking at me  
Is this the place we used to love?  
Is this the place that I've been dreaming of?  
Oh, simple thing, where have you gone?  
I'm getting old and I need something to rely on  
And if you have a minute why don't we go  
Talk about it somewhere only we know?  
This could be the end of everything  
So why don't we go  
Somewhere only we know  
Somewhere only we know  
Oh, simple thing, where have you gone?  
I'm getting old and I need someone to rely on  
So tell me when you're gonna let me in  
I'm getting tired and I need somewhere to begin  
And if you have a minute why don't we go  
Talk about it somewhere only we know?  
'Cause this could be the end of everything  
So why don't we go  
Somewhere only we know  
Somewhere only we know
