

# Lucifer

## Suigeneris

Synchro  
Feel like I'm Lucifer, walking in Gucci fur  
I do not do returns, bought it all cash for show  
I just be dropping these racks on the floor, she ain't know how to talk, yeah  
Feel like a demon, I whip in the demon, I know that you want one  
Feel like I'm Lucifer, walking in Gucci fur  
I do not do returns, bought it all cash for show  
I just be dropping these racks on the floor, she ain't know how to talk, yeah  
Feel like a demon, I whip in the demon, I know that you want one  
Flooded up, flooded up, my neck with VVS  
When you see me walking, you could tell I'm never stressed  
Balling every day, made you legals want meth  
Gave my dawg ten bands, and he brought me a hundred back  
Bitches watching, double it up so that they know that we riding  
I can't trust you, said that you love me, I know you despise me  
No, we ain't clutching  
Yeah, I see shit right on his arm  
But we're bluffing, all of his credit cards getting denied  
Feel like a demon, feeling so deep in, remember the meaning  
Walk in Neiman, big stacks on me I walk like I'm on lean  
Feel like I'm Lucifer, walking in Gucci fur  
I do not do returns, bought it all cash for show  
I just be dropping these racks on the floor, she ain't know how to talk, yeah  
Feel like a demon, I whip in the demon, I know that you want one  
Feel like I'm Lucifer, walking in Gucci fur  
I do not do returns, bought it all cash for show  
I just be dropping these racks on the floor, she ain't know how to talk, yeah  
Feel like a demon, I whip in the demon, I know that you want one  
You want one, yeah
