

Isabella

[Dia Frampton](#)

Isabella, Isabella, I heard you crying through the walls
What's the matter? What's the matter?
All the neighbors hear it down the hall And I didn't want to be the first to say
Everyone around here thinks you're crazy
And I didn't want to be the first to say you shouldn't stay
Isabella, run away All your heroes are your records
You play 'em loud but I don't mind the noise
Why ya hiding? Why you staying?
Maybe you don't think you have a choice
And I didn't want to tell you face to face
That your mom and dad are straight up crazy
It's really hard for me to say that you shouldn't stay
Isabella, run away Don't you be afraid, it's never too late
You're a sleeping tiger, come awake
Isabella, run away Out the window of your bedroom
Climb on down the fire escape
I left some money and a ticket
For the first time in your life, don't be afraid And baby, I will be the first to say
You are stronger than you know, you'll find your way
Isabella, run away Don't you be afraid, it's never too late
You're a sleeping tiger, come awake
Isabella, run away
Isabella, Isabella
Isabella, Isabella Don't you be afraid, it's never too late
You're a sleeping tiger, come awake
Isabella, run away
