

# In the Mood

Keith Sweat

I am in the mood baby (x3) I can just feel your love emotions  
And it gets better as the night goes on and on  
I got the key to all your lovin'  
And i will never ever ever do you wrong I'm in the mood baby  
To serve your body right  
I'm in the mood  
To give you what you like  
I'm in the mood  
To do it like you like baby  
I'm in the mood  
To drive your body crazy  
Let me inside your love, baby  
Don't stop, keep it comin' baby, all night long  
I promise to take my time to please you (oh yeah)  
I'm in the mood for love, so baby lets get it on I'm in the mood baby  
To serve your body right  
I'm in the mood  
To give you what you like  
I'm in the mood  
To do it like you like baby  
I'm in the mood  
To drive your body crazy All I wanna do is go  
back and fourth  
fourth and back (x4)  
I'm in the mood  
I'm in the mood baby  
To serve your body right  
I'm in the mood  
To give you what you like  
I'm in the mood  
To do it like you like baby  
I'm in the mood  
To drive your body crazy
