## Funkdoobiest

I caught Spider-Man jerkin' off in a booth  
To a Wonder Woman comic  
Then the Bionic  
Bitch fucked the Hulk a.k.a. Bruce Banner  
Did I see Santa  
No, it's the Green Lantern  
Little Bo Peep cold fucked her sheep  
Keep eatin' that pussy  
Fuck the ??  
Best fucked a bitch  
Bullwinkle's kinda moosy  
Triple X, hardcore  
Nigga fucked a floozy  
Miss Piggy  
Gotta pick a sticky  
Mickey Mouse pulled her blouse  
Smoked a blunt for the hicky  
Dorothy, Tin Man, the Lion and the Scarecrow  
Messin' with the pussy  
Hairy just like the werewolf  
Cyclops, Wolverine  
And the Nightcrawler  
Went to a bar  
And, yo, they had dollars  
Roll in the parlor  
Hittin' off switches  
For Richie Rich riches  
Pulls all the bitches  
I turned on the headset  
Like Judy Jetson  
Here comes Barbie  
Look who she lets in  
Hansel, Gretel  
Gretel, fuck the kettle  
Jack and Jill went up the hill to have a little fun  
(It's a small world)  
Ready for some call girl  
Wrapped around her neck  
A lace that was all pearls  
Nights had Medusa  
Dancin' on tables  
Joker's got a lap dance

From Charlie's Angels  
It's night  
In a secret hideaway somewhere in Gotham City  
As a woman in a feline costume  
Strokes a Siamese cat  
And speaks to several well-dressed men  
Twinkle, twinkle  
On a star  
Superho, tell me who you are  
Catwoman in a red tight see-thru  
Dancin' on a pole  
With a do-see-do  
Mosy on out  
Now where goes that ho they call  
Cinderella  
Makin' men jealous  
Like Dick Tracy  
Tweety, Sylvester  
(Sufferin' succotash)  
Cuz Snow White's gonna be fuckin' all night  
Strobelite dancin' in front of the mirror  
He-Man's fuckin' with Smurfette and She-Ra  
The freaky, freaky deeky  
Wilma Flintstone  
Betty, too  
Is she ready for the nympho?
