

# My Way

## Usher

Yo, yo, yo  
Yo, yo, yo, yo  
Yo  
See, it's rare that you find people like us  
Cause all y'all other... (look)  
Out there doing what I'm doing  
Or try to do what I'm doing  
But you can't 'cause I do what I do, my way  
What about you?  
Huh? Huh?! Come on!  
I do  
Any and everything you want to  
Make your girl say, "Oooh, oooh  
Why is he so fly-I-I?"  
She beeps me  
Ever since she wanna get freaky  
You can get mad if you want to, do whatever you want  
But she still gon' give it up  
She likes it...My way, my way  
You can't satisfy her needs  
She keeps running back to see me do it  
My way, my way  
What I say, goes  
And I'm in control  
Bad ass, señoritas, two-seaters with kicks  
New kicks, all in the mix  
I don't turn no tricks, they turn for me  
Catching bricks don't concern me  
So forget it, little midget  
My mind on seven digits  
Before I pay Heaven skies a visit, now dig it  
I'm pulling all stops, locking down all spots  
Saying "You, can't, front"  
So, from this day forth, you know I'm all about heat  
And what I do be the Major League  
That's why your girlfriend's paging me  
And she know like he know  
You don't see her like I see her, so she's out the door  
Shotgun in my drop, having fun  
With the Don, system bassing, conversation  
About how she been chasing me  
And facing me, saying, "Give it to me now, baby" My way, my way

You can't satisfy her needs  
She keeps running back to see me do it  
My way, my way  
What I say, goes  
And I'm in control Don't check me  
It was your girl who let me  
Take it this far, then, ooh wee!  
Let her have it every chance that she could get  
What, you think you a baller?  
And I ain't gon' call her, clip that  
You can get mad if you want to, say whatever you want  
But she still gon' give it up  
She likes it...My way, my way  
You can't satisfy her needs  
She keeps running back to see me do it  
My way, my way  
What I say, goes  
And I'm in control  
My way, my way  
You can't satisfy her needs  
She keeps running back to see me do it  
My way, my way  
What I say, goes  
And I'm in control  
My way, my way  
You can't satisfy her needs  
She keeps running back to see me do it  
My way, my way  
What I say, goes  
And I'm in control
