

# If You Never Come to Me (Inútil Paisagen)

## Frank Sinatra & Antônio Carlos Jobim

Writer(s): Antonio Carlos Jobim and Ray Gilbert

There's no use of a moonlight glow  
or the peaks where winter snows  
Whats the use of the waves that break in the cool of the evening  
What is the evening without you  
Its nothingIt may be you will never come  
If you never come to me  
Whats the use of my wonderful dreams  
And why would they need me  
Where would they lead me without you  
To nowhere  
Whats the use of my wonderful dreams  
And why would they need me  
Where would they lead me without you  
To nowhere
