

# Freedom

## Wham!

Every day I hear a different story  
People saying that you're no good for me  
Saw your lover with another  
And she's making a fool of you, oh If you loved me baby, you'd deny it  
But you laugh and tell me I should try it  
Tell me I'm a baby and I don't understand But you know that I'll forgive you  
Just this once, twice, forever  
'Cause baby, you could drag me to hell and back  
Just as long as we're together and you do I don't want your freedom  
I don't want to play around  
I don't want nobody, baby  
Part time love just brings me down  
I don't need your freedom  
Girl all I want right now is you Like a prisoner who has his own key  
But I can't escape until you love me  
I just go from day to day  
Knowing all about the other boys You take my hand and tell me I'm a fool  
To give you that all I do  
I bet you someday baby  
Someone says the same to you But you know that I'll forgive you  
Just this once, twice, forever  
'Cause baby, you could drag me to hell and back  
Just as long as we're together and you do, oh I don't want your freedom  
I don't want to play around  
I don't want nobody, baby  
Part time love just brings me down  
I don't need your freedom  
Girl all I want right now is you You hurt me baby  
Hurt me baby  
Hurt me baby  
Hurt me baby But you know that I'll forgive you  
Just this once, twice, forever  
'Cause baby, you could drag me to hell and back  
Just as long as we're together and you do I don't want your freedom  
I don't want to play around  
I don't want nobody, baby  
Part time love just brings me down I don't want your freedom  
I don't want to play around  
I don't want nobody, baby  
Part time love just brings me down I don't want your  
(I don't want your)  
I don't want your

(I don't want your)  
I don't want your  
(I don't want your)  
I don't want your  
(I don't want your)
