

# Be Like Jesus

Deitrick Haddon

I wanna be like Jesus. she said are you that preacher of LAI said yes ma'am is everything ok.  
she said come over here I got something to say. you shouldn't be on TV acting that way.  
I said whoa, u rather I be fake want me to act like I don't make mistakes sorry ma'am I ain't cut  
that way.

I gotta keep it 100 all day. and your attitude is worst than mine, and you can be a little bit more  
kind and if you want folks to come to your church, we all gotta do some work  
to be like jesus
