Yo, yo
"I wanna." take a trip to the Beverly Center
and scoop a mean model broad up dawg and get head in the renter
Gotta take her home, clean her up before I can finish
Cause ain't no pussy worth gettin burnt while I'm up in it
Then I made her roll up while I was runnin a bath
And she said she do X, I gave her one and a half
Let her get her roll on and made her jump in the bath
I left her standin there sayin. haha
"I wanna." come through in the orange M5
And I got them things in the trunk and they goin for ten-five
It could and it will get ugly, but so what?
No matter how it go down, the hood'll still love me
Never cut broads, I let everybody hit 'em
My bullets is like chicken pox, everybody get 'em
You know Ja' blow pud-dy, lookin for somethin to slay
Mix in the 'gnac with Ocean Spray, c'mon
"I wanna."
(*sung*) Cruisin baby - come ride with me
(Snoop) Ride with me, ride with me, ride with me
(*sung*) Cruisin baby - come smoke with me
(Snoop) Smoke with me, smoke with me, smoke with me
(*sung*) Cruisin baby - roll down these streets
(Snoop) Roll with me, roll with me, roll with me
(*sung*) with me.(Snoop Dogg)
"I wanna." bust a bitch upside her motherf**kin head
for talkin shit to a pimp
Limp on 'em, flip on 'em, dip on 'em
Crip on 'em, and put this motherf**kin dick on 'em
This sorta fish called a bitch oughta hush up
Rolled a fat blunt and smoked this motherf**kin dope up

Cause you know what? (Whattup?)
 Shit a nigga know you're so tough, but bitch I wanna go f**k
 "I wanna." take you upstairs, and do dat dere
 Hell motherf**kin yeah
 See I'm a real player and I won't waste your time
 I've been a starter, I ain't never sat the f**kin pine
 Stay on the frontline, it's all by de-sign
 Nigga done the crizzime, ain't never dropped a dizzime
 Everything is fizzle, rollin up a dizzime
 D-O-double-G I got bitches waitin in lizzine "I wanna."
 (*sung*) Cruisin baby - come ride with me
 (Snoop) Ride with me, ride with me, ride with me
 (*sung*) Cruisin baby - come smoke with me
 (Snoop) Smoke with me, smoke with me, smoke with me
 (*sung*) Cruisin baby - roll down these streets
 (Snoop) Roll with me, roll with me, roll with me
 (*sung*) with me. (Jadakiss)
 Uh-huh, yeah. yeah.
 "I wanna." do the club thing like in and out in an hour
 And then I'm back home bangin shorty out in the shower
 Check it I'm chasin the Henny with Coronas
 She got in her mind that, she gon' get some Fendi if I bone her
 (eh-eh) Backshot was murder from the rear
 And she gave me mean top, while I blew the purple in her hair
 Oh yeah, after I nutted I was a goner
 And still got honey thinkin that
 "I wanna." automatic start on the Aston Martin
 Can't beat 'Kiss cause you ain't got half the heart an'
 get you hit on the inside for half a carton
 Couple of suits - dawg, we f**kin with loot
 I got enough dough to chill in court
 But I know dudes with twenty-five in and they still ain't short
 But never mind that, we can't lose
 Pour another drink, roll another dutch up
 We gon' cruise, let's go "I wanna."
 (*sung*) Cruisin baby - come ride with me
 (Snoop) Yeah, cruise, cruise. gangsta, gangsta.
 (*sung*) Cruisin baby - come smoke with me
 (Snoop) Yea yea, yea yea. yea yea, gangsta, gangsta.
 (*sung*) Cruisin baby - roll down these streets
 (Snoop) Cruise. lay low. hold it down y'all
 (*sung*) with me.
 (Snoop) Hold it hold it hold it down, hold it down y'all
 "I wanna."
 (Snoop) Yea yea, hold it down. "I wanna."
