

Funeral

Lukas Graham

When it's my time, I know you'll tailor a new suit for me
and buy a new tie, so I'll look this good.
Boy, you were right.
You said "Only the good ones die young"
Never in my life did I look this good. Everyone welcome to my funeral
Everyone I know, better be wasted
You know I would pour one up
'cause the way I lived, it was amazing
Uh-uh-uh
All of my friends are in the room
Uh-uh-uh
Party for me - I'd party too.
You're all on my tap
bartenders pour out the whiskey's on me
and don't be so sad
Cause I lived this good
we were closer (closer)
now it's over (over)
Oh it doesn't mean it's closure
I see you (see you), and I love you (love you)
I'll be watching out above you Everyone welcome to my funeral
Everyone I know better be wasted
You know I would pour one up
'cause the way I lived, it was amazing
Uh-uh-uh
All of my friends are in the room
Uh-uh-uh
Party for me - I'd party too.
Uh-uh-uh
All of my friends are in the room
Uh-uh-uh
Party for me - I'd party too.
Everyone welcome to my funeral
Everyone I know better be wasted
You know I would pour one up
'cause the way I lived, it was amazing Welcome to my funeral
Everyone I know better be wasted
You know I would pour one up
'cause the way I lived, it was amazing Welcome to my funeral
Everyone I know better be wasted
You know I would pour one up
'cause the way I lived, it was amazing

So welcome to my funeral
Welcome to my funeral.
