Save Me

Jordin Sparks

I'm all alone tonight,
No stars are shining on me
I'm thinkin' I'd be alright
If somebody would just call me, yeahI know that I'm not crazy,
Everybody must get this way, sometimes
So look around,
For the people in your life that saySave Me
I need somebody's help here
Thought it would be alright but
I'm not pullin' through on my own
Is anyone around who can Save Me
I'm fallin' down it's crazy
If this is the pain God gave me,
I'm cool with that,
But wont somebody Save Me
I guess you missed the signs,
But honey I can never blame you
I don't want ya feelin' guilty,
that'd keep you in pain too (oooooh)Now I can't hear you when I'm far away, away
So maybe you could learn from this,
And help somebody else somedayCause I'm human after all
And I could not catch my fall
And nobody ever came around my way
to check up on me and see if I was doin' alright
Nobody came to Save Me
Save Me
I need somebody's help here
Thought it would be alright but
I'm not pullin' through on my own
Is anyone around who can Save Me
I'm fallin' down it's crazy
If this is the pain God gave me,
I'm cool with that,
But wont somebody Save MeSave Me from my demons
Save Me from myself
Save Me, somebody Save Me
I need someones help(ooooooooooooh)Save Me
I need somebody's help here
Thought it would be alright but
I'm not pullin' through on my own
Is anyone around who can Save Me
I'm fallin' down it's crazy

If this is the pain God gave me,
I'm cool with that,
But wont somebody Save Me (wont somebody save me)Save Me
I need somebody's help here
Thought it would be alright but
I'm not pullin' through on my own
Is anyone around who can Save Me
I'm fallin' down it's crazy
If this is the pain God gave me,
I'm cool with that,
But wont somebody Save Me(ooooooh)
