

I Dont Wanna Break

Christina Perri

Woke up such a bad dream
I stayed you were leaving
With my heart you were stealing
I don't care I'd let you take it Showed up, like a good girl
I fell for your fable
But I'm no Cinderella
I don't care, I'd let you take it Put us back together You said, it's forever
But I know you're pretending
I don't care, I'd let you take it
All again
And I just wanna love you
Don't wanna lose me
Don't wanna lose you, whoa oh
If it gets harder
Then I don't wanna break all alone
I wanna break in your I just wanna love you
Don't wanna lose me
Don't wanna lose you, whoa oh
If it gets harder
Then I don't wanna break all alone
I wanna break in your Whoa oh oh, whoa oh oh
(Don't wanna break in your) And if it gets harder
Then I don't wanna break all alone
I wanna break in your arms
Sometimes, when I'm sleeping
I still feel you breathing
You stole all my good dreams
I don't care, I'd let you take it Come on, listen closely
To the sound that our love made
If you go, I would follow
I don't care, I'd let you take it
All again(mmm)
I just wanna love you
Don't wanna lose me
Don't wanna lose you, whoa oh
If it gets harder
Then I don't wanna break all alone I wanna break in your
I just wanna love you
Don't wanna lose me
Don't wanna lose you, whoa oh
If it gets harder
Then I don't wanna break all alone I wanna break in your Whoa oh oh, whoa oh oh, whoa oh

And if it gets harder
Then I don't wanna break all alone
I wanna break in your
Whoa oh oh, whoa oh oh,(Don't wanna break in your)
Whoa oh oh, whoa oh oh,(Don't wanna break in your)
Whoa oh oh, whoa oh oh,(Don't wanna break in your)
Whoa oh oh, whoa oh oh,(Don't wanna break in your)
I just wanna love you
Don't wanna lose me
Don't wanna lose you, Whoa oh
If it gets harder
Then I don't wanna break all alone
I wanna break in your arms
