

# Up Where We Belong

Joe Cocker & Jennifer Warnes

Who knows what tomorrow brings  
In a world few hearts survive  
All I know is the way I feel  
When it's real, I keep it alive  
The road is long  
There are mountains in our way  
But we climb a step every day  
Lord lift us up where we belong  
Where the eagles cry, on a mountain high  
Lord lift us up where we belong  
Far from the world below, up where the clear winds blow  
Some hang on to "used to be"  
Live their lives looking behind  
All we have is here and now  
All our life, out there to find  
The road is long  
There are mountains in our way  
But we climb them a step every day  
Lord lift us up where we belong  
Where the eagles cry, on a mountain high  
Lord lift us up where we belong  
Far from the world we know, up where the clear winds blow  
Time goes by  
No time to cry  
Life's you and I  
Alive today  
Lord lift us up where we belong  
Where the eagles cry, on a mountain high  
Lord lift us up where we belong  
Far from the world we know, up where the clear winds blow  
Lord lift us up where we belong  
Where the eagles cry, on a mountain high  
Lord lift us up where we belong
