

My Heart Is a Weapon (feat. Jon Waltz)

Lostboycrow

My heart is a weapon
I gave it to you, I'm defensless
Your kiss is a question,
Double tape, does it taste like deception
Is my touch not enough?
'Cause we stay up all night, all night!
No more trust, but the rush leaves us like
Alright alright
Ain't got no time, no time
Ain't got no time, no time, no
Ain't got no time, no time, no
Unless YOUR LOVE is mine, mine
My heart is a weapon,
But your eyes could teach me a lesson
I look away for a second
And turn around till your mouth second guessing
Is my touch not enough?
'Cause we stay up all night, all night!
No more trust, but the rush leaves us like
Alright alright
Ain't got no time, no time
Ain't got no time, no time, no
Ain't got no time, baby
Unless YOUR LOVE is mine, mine
[Jon Waltz verse:]
Tattoo on your left side,
And I wonder what the sex's like?
Because your mind's amazing
No, I'm not the best guy
But I think that we should just try
Girl, we could be somebody
I don't know what your past like,
But I met you in a past life
You might just send me body
It's gotta be a cash right
'Cause I know, know
You don't ask for too much, missy
I get it, but with me, or with him
I miss you girl
We'd be like the same things
So what are fought this?
Open your heart, and give me your all
Ain't got no

Ain't got no
Ain't got no
Unless YOUR LOVE is mine
Unless YOUR LOVE is mine
Unless YOUR LOVE is mine
I miss you, girl
I miss you, girl
