

Mary Go Round

Conor Maynard

I feel the lights fade away,
You always put me in this place, no
Holding on, I can't let go, here we go again
The dream is over I'm awake Dizzy, I can't take it, can we make it stop? Now.
Mary, Mary go 'round
Why you playing me? Turn me upside down.
Mary, let me hit the ground, get me off of ya
While you go 'round and 'round and 'round
(Round and 'round and 'round and 'round oohh) Am I your lover or your friend? Whoa.
Will this circle ever end? Oh.
Promises that lead to tears or I keep coming back, baby
Here we go again, again.
Dizzy, I can't take it. Can we make it stop now?
Mary, Mary go 'round
Why you playing me, turn me upside down
Mary, let me hit the ground, get me off of ya
While you go 'round and 'round Mary, Mary go 'round
Why you playing me, turn me upside down
Mary, let me hit the ground, get me off of ya
While you go 'round and 'round and 'round Go play with someone else
I'm getting off this ride right now
Someday you're gonna want me back but I won't come back (No no)
Go play with someone else I'm getting off this ride right now
Someday you're gonna want me back but I won't come back (No no)
Oh, whoa, yeah
Not coming back, no
Mary, Mary go 'round
Why you playing me, turn me upside down
Mary, let me hit the ground, get me off of ya
While you go 'round and 'round Mary, Mary go 'round
Why you playing me, turn me upside down
Mary, let me hit the ground, get me off of ya
While you go 'round and 'round
