

Morning In America

Jon Bellion

1600, 1600, 1600 on the SATs
Said they gettin', said they gettin', said they gettin' me an SUV
Just a couple miles from the lights of the city
Pour a little liquor in my Starbucks Venti
Just 11, just 11 when they said I had the ADDI've been trying to keep up with all of these great
expectations
So I keep on fakingWe're secretly out of control, nobody knows it
But my mom's got a problem with oxy's and she's angry
Cause my dad's office door's always closed but I stop knocking
Yeah, we're secretly out of control and everyone knows
Oh, it's morning in America
Oh, it's morning in America
Oh, it's morning in America
Oh, it's morning in America
At the locker, at the locker, at the locker selling time reliefs
Where's the party? Where's the party?
Where's the party? There's a house empty
Didn't learn a lesson, didn't use protection, doesn't wanna keep the baby
Throwing up in the alley, in the alley, older brother looking for meWe're secretly out of control,
nobody knows it
But my mom's got a problem with oxy's and she's angry
Cause my dad's office door's always closed but I stop knocking
Cause there's some things I don't wanna know
We're secretly out of control, nobody says it
When the class president overdosed, we all pretended
It was real, it was shocking and all the town was talking
Yeah, we're secretly out of control and everyone knows
Oh, it's morning in America
Oh, it's morning in America
And everyone knows
Oh, it's morning in America
Oh, it's morning in America
No, no
No, no
We're secretly out of control, nobody knows me
And my friends all addicted to porn, can't keep a girlfriend
Cause the great expectations got all us imitating
Yeah, we're secretly out of control and everyone knowsWe're secretly out of control, nobody
knows it
But my mom's got a problem with oxy's and she's angry
Cause my dad's office door's always closed but I stop knocking
Cause there's some things I don't wanna know

We're secretly out of control, nobody says it
When the class president overdosed, we all pretended
It was real, it was shocking and all the town was talking
Yeah, we're secretly out of control and everyone knows
Oh, it's morning in America
Oh, it's morning in America
And everyone knows
Oh, it's morning in America
Oh, it's morning in America
And everyone knows
