

She Could Be You

Shawn Hlookoff

I'm haunted by this photograph
Don't know why
Everytime i look, i get shivers down my spine
You're such a beautiful face
I know these eyes
They take me back in timeShe could be you
I wouldn't even know
She could be you
But that was long time ago
She could be you
I wish that i could tell you
What you don't know
I dream about that day
But it's impossible
In another world
I'll be yours tonight
But i can't break free from this lifeShe could be you
I wouldn't even know
She could be you
But that was long time ago
She could be youI see it all the time
I know it's true
A picture doesn't lie
She could be you
I wouldn't even know
She could be you
But that was long time ago
She could be you
She could be you
She could be you
